FamilyBusiness.org, a leading resource for family business owners, entrepreneurs, and anyone interested in learning more about family businesses, is excited to announce the launch of its new YouTube channel today!

The channel will feature a variety of video content related to family businesses, including

- Interviews with experts on family businesses
- Case studies of successful family businesses
- Tips and advice for running a family business
- News and trends in the family business community

The channel is hosted by Kim Eddleston, Senior Editor of FamilyBusiness.org. Eddleston is a passionate advocate for family businesses and has a deep understanding of the unique challenges and opportunities that they face.

In addition to Eddleston's interviews, the channel will also feature commentary videos from Mat Hughes, senior editor of FamilyBusiness.org. Hughes is a thought leader in the family business community and his insights will be invaluable to viewers.

FamilyBusiness.org is committed to providing family business owners with the resources and support they need to succeed. The new YouTube channel is just one more way that FamilyBusiness.org is working to empower family business owners and help them achieve their goals.

Visit the **FamilyBusiness.org YouTube channel (https://www.youtube.com/@familybusiness.org1)** today, and subscribe to be the first to know of new videos on how to empower family businesses.
